PRINTING

should be judged not by the amount of money it costs—but

BY THE RESULTS IT BRINGS

You buy printing for definite purposes. If letterheads, you want them to attract attention and be true representatives of your firm. If statements, billheads, forms, they must be neat and attractive. If folders, booklets, or catalogues, you expect them to create a desire for your product or service, and bring back the orders or pave the way for your salesmen.

AS SUPERIOR PRINTERS we would like to care for your printing requirements. We promise you BETTER PRINTING and that brings results.

A letter or phone call will bring someone to discuss your printing problems with you.

Salient Features of THE MAINE REGISTER

Complete Business Directory of the Entire State; Revised from Cover to Cover Once a Year

This revision is carefully performed by a corps of conscientious business solicitors, reliable local correspondents and accurate office compilers. We spare no pains to insure the receipt of an annual report even from the small and remote communities, which have no organization.

Every item in all sections of the book is checked and corrected from authentic and original sources.

Satisfied Patrons and Words of Commendation are the Rule

We sincerely believe that we carry on our list of patrons the very finest of Maine's business and professional men and women, as well as a growing list of out of state buyers. We desire and endeavor to secure their most cordial good will by conforming, so far as lies in our power, with their wishes and catering to their interests.

We expect to GIVE and to RECEIVE a SQUARE DEAL
